Mather, California 95655

Oroville Emergency Spillway Incident 2017

## ABOUT CAL OES

Cal OES is responsible for the coordination of State multi-agency response to major disasters and homeland security events in support of local governments throughout the State.

California also faces numerous risks and threats to our people, property, economy, and environment. Our State is prone to earthquakes, floods, significant wildfires, prolonged drought, public health emergencies, cybersecurity attacks, agricultural and animal disasters, and threats to homeland security.

With almost 1,000 employees statewide, our team of professionals manages and leads over three dozen emergency management, homeland security, public safety, victim services, disaster logistics, and fiscal programs.

During emergency events, Cal OES coordinates the integration of federal and State resources into State and local response and recovery operations.

## SUMMER INTERNSHIP OPPORTUNITIES

Cal OES offers a 10-week internship to students, recent graduates and individuals interested in hands-on experience in multiple program areas, to gain insight into the State's civil service hiring and career planning.

### How it works:

- Candidates submit their application and specify which program areas they are interested in, ranking preference
- Cal OES will contact candidates to schedule a placement interview
- Selected interns will be placed within Cal OES
- Schedules are flexible, but interns are expected to work a minimum of 20 hours per week for the duration of the internship
