Daily Focus

The Employment Development Department (EDD) Legislative and Intergovernmental Affairs Office (LIAO) serves as the Department’s primary liaison to the California State Legislature and the U.S. Congress. The LIAO has designated analysts who respond directly to inquiries from legislative and congressional members and their district staff who request information on behalf of their constituents. The best format to communicate with EDD regarding a constituent referral is via email using the following address: legislativeoffice@edd.ca.gov.

The EDD’s LIAO has a system to manage and keep track of cases for each member, and email is the most efficient format for that process. The LIAO staff will work with the various program areas, such as Unemployment Insurance, necessary to respond to the constituent inquiry and report back to the legislative or congressional district office.
Great Plates Delivered: Home Meals for Seniors

- Help seniors and other adults at high risk from COVID-19 to stay home and stay healthy by delivering three nutritious meals a day, and
- Provide essential economic stimulus to local businesses struggling to stay afloat during the COVID-19 crisis.

Racial Demographics – A More Complete Picture

- Health outcomes are affected by forces including structural racism, poverty and the disproportionate prevalence of underlying conditions such as asthma and heart disease among Latinos and Black Californians.

- Overall, for adults 18 and older, Latinos, African Americans and Native Hawaiians and Pacific Islanders are dying at disproportionately higher levels. The proportion of COVID-19 deaths in African Americans is about double their population representation across all adult age categories.

- For Native Hawaiians and Pacific Islanders, overall numbers are low, but there is a four-fold difference between the proportion of COVID-19 deaths and their population representation.

- More men are dying from COVID-19 than females, in line with national trends.
  - More information is available at COVID-19 Race and Ethnicity Data.

- **Nationwide COVID-19 Numbers**
  - As of May 15, there have been 85,990 deaths, 2,043 new deaths since yesterday.
  - 1,412,121 positive cases, 27,191 new cases since yesterday- in 55 jurisdictions (50 states, District of Columbia, Puerto Rico, Guam, Northern Marianas and US Virgin Islands).

The CDC also provides a [weekly summary](#) and interpretation of key indicators that have been adapted to track the COVID-19 pandemic in the United States.
• Taskforces stood up by the State Operations Center (SOC) to address various COVID-19 response issues:
  
o Communications/Crisis Communications (ESF* 2/ESF 15)
  o Transportation and Infrastructure (ESF 1/ESF 3)
  o Housing and Social Services (ESF 6)
  o Logistics/Commodity Movement (ESF 7)
  o Fire/Law Enforcement (ESF 4/ESF 13)
  o Public Health and Medical (ESF 8)
  o Schools Task Force
  o Economic Impact/Recovery Task Force
  o Volunteers & Philanthropy (ESF 17)
  o Innovation & Technology Task Force
  o Cybersecurity (ESF 18)

  *Emergency Support Function

• PPE and Medical Supply Requests
  
o Resource requests for health care providers and facilities are handled through local public health departments to CDPH. The requests are submitted to the Medical Health Operational Area Coordinator (MHOAC), through the Regional Disaster Medical Health Coordinator (RDMHC), which are then sent to the CDPH Medical and Health Coordination Center (MHCC).

  o This way all equipment requests can be tracked and prioritized appropriately, and they are fulfilled as quickly as possible.

  o The local health facilities know this process well and have been properly submitting requests.

  o We know these requests are very urgent, which is why the MHCC is working closely with the State Operations Center (SOC). Emergency Medical Services Agency (EMSA) is also embedded in the SOC to help facilitate those requests.
State Owned Ventilators

- Modeling shows demand will peak in late May.

  - Out of service: 1,136
  - Available for use: 343
  - Assigned: 195

Recovery Questions

- If local governments have specific questions about COVID-19 recovery please send them to disasterrecovery@caloes.ca.gov.

Actions Taken by the State and Federal Government

- May 13, Governor Gavin Newsom discussed wildfire preparedness during the COVID-19 pandemic. Wildfires this year have seen a 60% increase.

- May 12, Governor Newsom announced new guidance for industries allowed to open statewide with modifications and some new guidance only for counties that will meet the State’s requirements to move further into Stage 2. Some counties have been certified to open additional sectors including dine-in restaurants and shopping centers. See the guidance for these counties and the statewide guidance.

- May 11, In a letter to Congressional leadership today, governors and legislative leaders from California, Oregon, Washington, Colorado, and Nevada requested $1 trillion in direct and flexible relief to states and local governments in the wake of the COVID-19 pandemic in order to preserve
core government services like public health, public safety and public education, and help people get back to work. The letter can be read here.

- May 9, FEMA has added a new function to its Grants Portal website for the COVID-19 event (DR-4482). Potential applicants, such as towns/cities, counties, special districts, UCs, CSUs, Tribal Governments, etc., (except for Private Non-Profits/Tribal Governments applying as their own Recipient) can now go directly to the Grants Portal website, create their own Organization Profiles, and submit a Request for Public Assistance (RPA) without having to first receive an Invitation from Cal OES.

- Please see the Cal OES webpage: FEMA-4482-DR-CA California COVID-19 Pandemic for more information, application documents, links to the FEMA Grants Portal and other helpful sites, and news about upcoming Virtual Applicant’s Briefings.

- Following up on the state’s announcement that it will begin modifying the stay at home order on Friday, May 8, Governor Gavin Newsom released updated industry guidance on Thursday – including for retail, manufacturing and logistics – to begin reopening with modifications that reduce risk and establish a safer environment for workers and customers.

- May 8, Governor Newsom issued two Executive Orders, one to protect public health by mailing every registered voter a ballot ahead of the November election, and one on extending deadlines impacted by COVID-19.

- May 7, Governor Gavin Newsom today released updated industry guidance – including for retail, manufacturing and logistics – to begin reopening with modifications that reduce risk and establish a safer environment for workers and customers. The release follows up on the
state's announcement that it will begin modifying the stay at home order on Friday, May 8. Click here for new guidance.

- May 6, Governor Newsom signed an executive order that waives penalties for property taxes paid after April 10 for taxpayers who demonstrate they have experienced financial hardship due to the COVID-19 pandemic through May 4, 2020.

- May 6, Governor Newsom announced that workers who contract COVID-19 while on the job may be eligible to receive workers’ compensation. The executive order creates a time-limited rebuttable presumption for accessing workers’ compensation benefits for Californians who must work outside their homes during the stay at home order.

- May 5, Governor Newsom held a press conference at a small business in Sacramento to discuss how small business owners are adapting to reopening while preserving public health.

- May 4, Governor Newsom issued the May 4 State Report Card for how the state is doing in meeting key measures for moving into Stage 2. California is on track on the following statewide metrics:
  - Stability of Hospitalizations
  - Personal Protective Equipment Inventory
  - Health Care Surge Capacity
  - Testing Capacity
  - Contact Tracing Capability

- May 1, in recognition of International Workers' Day, Governor Newsom celebrated essential workers and highlighted actions California has taken to help all Workers affected by COVID-19.

  Governor Gavin Newsom signed an executive order that temporarily broadens the capability of counties to enroll persons into the California Work Opportunity and Responsibility to Kids (CalWORKs) program using
various eligibility verification methods due to social distancing requirements.

- April 30, Governor Gavin Newsom announced a new portal to help Californians working in essential sectors find safe, reliable, and accessible childcare options.
  
  Governor Gavin Newsom also signed an executive that will allow adults to obtain marriage licenses via videoconferencing rather than in person amidst the COVID-19 pandemic.

- April 14, Governor Gavin Newsom outlined the six critical indicators that will be considered before the stay at home order will be modified. The Governor also issued an executive order that calls for discharge and reentry hearings to be held via videoconference to minimize the youth’s and other participants’ exposure to COVID-19.

**How Can People Protect Themselves:**

We are all in this together. We are working rapidly to keep our state healthy. Every person has a role to play. Your actions save lives.
DO:

• Stay home
• Avoid people outside your household
• Wash hands with soap and water for at least 20 seconds
• Wearing a cloth face mask when out in public
• Cover your cough or sneeze
• Frequently clean and disinfect touched objects and surfaces
• Maintain physical distance of six feet whenever outside of the house

DON'T

• Leave the house except for essential activities
• Shake hands
• Touch your face
• Go to the doctor if you are not sick
• Stockpile masks or gloves

• It is also important that anyone experiencing symptoms of COVID-19, call their health care provider first before seeking medical care so that appropriate precautions can be taken.

• Stay away from work, school or other people if you become sick with respiratory symptoms like fever and cough.

Mental Health

• The stress we are all feeling right now triggers the biological stress hormone. Stress shows up in individuals differently.

• Call you doctor or mental health professional if you have concerns.
• 16 hotlines offering emotional support for a variety of situations and other helpful mental health resources available here: https://covid19.ca.gov/resources-for-emotional-support-and-well-being/

About the Tests:
• As of May 14, 1,133,906 tests have been conducted in California and reported to the California Department of Public Health. This represents an increase of 29,255 tests over the prior 24-hour reporting period. These numbers include data from commercial, private and academic labs, including Quest, LabCorp, Kaiser, University of California and Stanford, and the 25 state and county health labs currently testing.

• Testing should be used for medical evaluation of persons with symptoms of COVID-19 as well as for efforts by public health agencies and essential employers to prevent and control the spread of COVID-19.

• The California Department of Public Health launched an interactive website to help Californians quickly search testing sites by location and schedule an appointment. The testing locator website features community testing locations which are open to Californians who meet current testing guidelines.

Small Business Assistance
- **California Small Business Loan Guarantee Program** (via IBank) is making available $50 million in state funding, providing potential capital for individuals who do not qualify for federal funds.
  - Small Businesses located in California with 1-750 employees that have been negatively impacted or experienced disruption by COVID-19 and nonprofits are eligible.
- U.S. Small Business Administration (SBA) has declared all California counties eligible for the Economic Injury Disasters Loans.
- U.S. Small Business announced that agricultural businesses are now eligible for SBA’s Economic Injury Disaster Loan (EIDL) and EIDL Advance programs.
- This SBA declaration makes Economic Injury Disaster Loans available to impacted small businesses, small agricultural cooperatives, small businesses engaged in aquaculture, and private non-profit organizations.
- SBA loans can be approved up to $2 million but are limited to the economic injury determined by SBA. These loans are intended to assist through the disaster recovery period.
  - In response to the COVID-19 pandemic, small business owners in all U.S. states, Washington D.C., and territories are eligible to apply for an Economic Injury Disaster Loan advance of up to $10,000. This advance will provide economic relief to businesses that are currently experiencing a temporary loss of revenue. Funds will be made available within three days of a successful application. This loan advance will not have to be repaid.
This advance may be available even if your EIDL application was declined or is still pending and will be forgiven. If you wish to apply for the Advance on your EIDL, please visit https://covid19relief.sba.gov/#/ as soon as possible to fill out a new, streamlined application.

In order to qualify you need to submit this new application even if you previously submitted an EIDL application. Applying will not impact the status or slow your existing application.

- U.S. Small Business Administration announced changes to help borrowers still paying back SBA loans from previous disasters. By making this change, deferments through December 31, 2020, will be automatic. Now, borrowers of home and business disaster loans do not have to contact SBA to request deferment.
